

AQA - Measure and accuracy – GCSE 2022 Mathematics

1. *June/2022/Paper_8300/1F/No.24*

Use a ruler and compasses in this question.

$ABCD$ represents a garden.

A tree is to be planted in the garden.

The tree will be in the region that is closer to AB than to BC .

Label the region, R , where the tree could be planted.

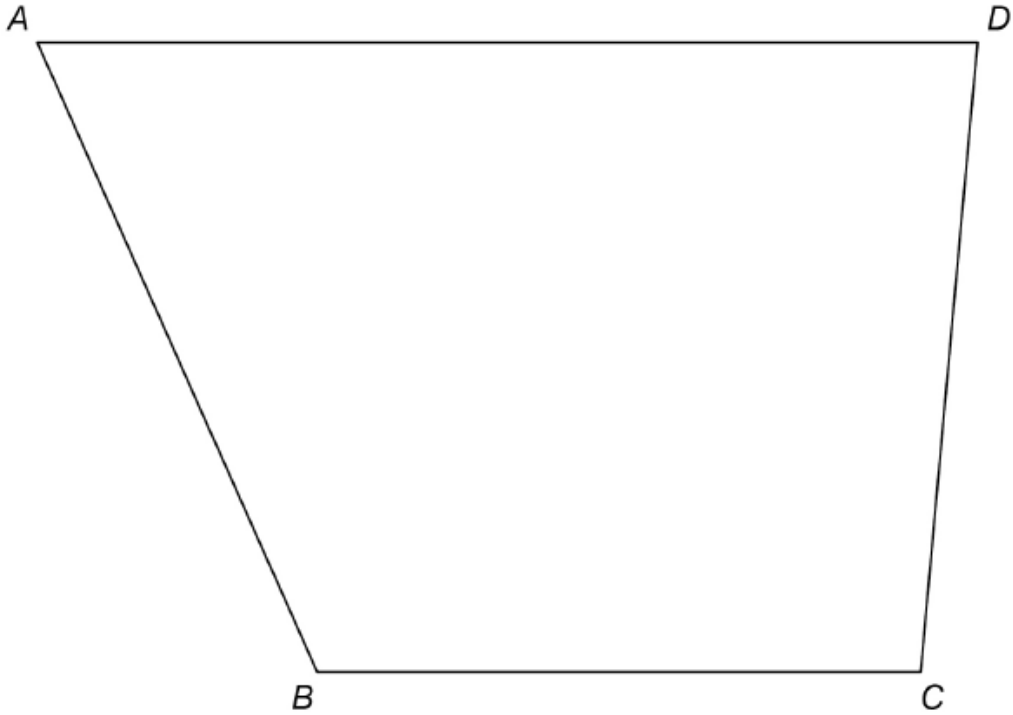

Show all your construction lines.

[3 marks]

2. June/2022/Paper_8300/1H/No.10

Use a ruler and compasses in this question.

$ABCD$ represents a garden.

A tree is to be planted in the garden.

The tree will be in the region that is closer to AB than to BC .

Label the region, R , where the tree could be planted.
